

## Storm Damage Update

We are currently open, however only the Gym, Changing Rooms and Reception Facilities are accessible.

The roof damage to the Pool Area is quite severe and a new roof will need to be installed. We are hoping the works to be completed at some point in January. The level of works that are required are extensive and it is going to take some weeks but we are progressing with the works as fast as possible. There will be days during the reconstruction of the roof that we will need to close the building, but this will be posted on here, so please check before coming.

**The Club will need to close fully as from Monday 9<sup>th</sup> December, we are planning to reopen the Gym, Changing Rooms and Reception on Saturday 14<sup>th</sup> December. Please do recheck though as this may change either way during the week depending on how fast the works progress.**

We were planning a price increase as from January 2020 for all current and new members, this is going to be £45 per month if paying by Direct Debit and £490 if paying Annually in Advance, however in light of the situation I am wanting to offer you your current rate of membership for as long as you remain a member with us. Please do feel free to contact me directly if you have any concerns or questions about your membership, I am happy to answer any questions and help you in any way I can.

I am receiving a large amount of queries regarding the situation, the best and quickest way to contact me is via email at [sales@watersplash.org](mailto:sales@watersplash.org) however you can phone the club on 01425610119, if I am not available please leave a message and I will get back to you.

We will be updating this document regularly, which is accessible via the website when we have more news. I would like to say thank you for your understanding and patience, we all at Watersplash really appreciate it! Apologies for the inconvenience but please do bear with us, we will be back!
